DETAILED ACTION

Applicants' response of 2/3/05 has been considered with the following results.

Allowable Subject Matter

Claims 1-5,7-18 are allowable over the art of record, because applicants' have amended the independent claims to include the noted allowable subject matter previously recited in claim 19.

Claims 13-17 are objected to under 37 CFR 1.75 as being a substantial duplicate of claims 8-12. When two claims in an application are duplicates or else are so close in content that they both cover the same thing, despite a slight difference in wording, it is proper after allowing one claim to object to the other as being a substantial duplicate of the allowed claim. See MPEP § 706.03(k).

Applicants' were cautioned with respect to the above position in the Final rejection, see page 7 of the OA mailed 11/5/04. Neither a response or additional amendment was introduced in the response to the above position.

**This application is in condition for allowance except for the following formal matters:
see the above objection to claims 13-17.**

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
